

Welcome to the Journey

How could 71 righteous men, dedicated to God, do what these men did? Sometimes we allow fear to make us do what we know is wrong – condemnation of an innocent man – standing by in silence as he is blindfolded and beaten. Fear breeds hatred and all too often leads to tragic acts of humanity...  
This is the human condition.”

March 14-Before Pontius Pilate	Mark 15:1-15
